

# 34th Annual Greg Berry Atlanta Plastics Charity Golf Tournament

## 2024 TOURNAMENT RECAP

Under the bright Georgia sun and amidst the morning dew, the charity proudly hosted the 34th annual "Greg Berry" Atlanta Plastics Charity Golf Tournament. This event was a joyful reunion for industry colleagues, boasting a successful turnout that supports our community through generous donations. Nearly 100 attendees participated at the picturesque Château Élan Woodlands course, enjoying the lovely weather.

The festivities began with a welcoming reception at the Château Inn the night before the tournament, providing an excellent opportunity for networking. As per tradition, a lively putting contest took place, with proceeds going to the charity fund. Congratulations to Jack Black, who won the putting contest with an impressive score of 400, and donated the winnings!

Woodlands Course  
Château Élan

The tournament was organized as a scramble, featuring special contests at several holes, including closest to the pin and longest drives. A special thanks to Jeri O'Brien for spotting during the event!

### A warm thank you to:

*Thank!  
You!*

- Piedmont Plastics Inc., for sponsoring breakfast
- Plaskolite Inc., for sponsoring lunch
- SIMONA AMERICA Group & CartierWilson LLC. for sponsoring the welcome reception

### Winning Holes:

Longest Drive: Matt Kutascak and Kurt Broll, Closest to the pin: Todd Kniceley

### Winning Team:

Brent Brelsford, Mike Swimm, Brent Huggins and Travis Hopper with a score of 57, -15 under par.

# A message from the Board of Directors:

The charity aims to support individuals in need within the performance plastics community, local charities, and the Greg Berry scholarship fund provided by IAPD - The Performance Plastics Association. Our goal each year is to create a pleasant and unforgettable experience for all involved. Thanks to your ongoing support over the past 34 years, the charity has contributed over \$400,000 to those in need within our industry. Your unwavering support and dedication makes this possible.

We are always looking for opportunities to assist our colleagues in the performance plastics industry. If you know anyone in our business who needs help during a difficult time, whether big or small, please reach out to one of the Board Members.
