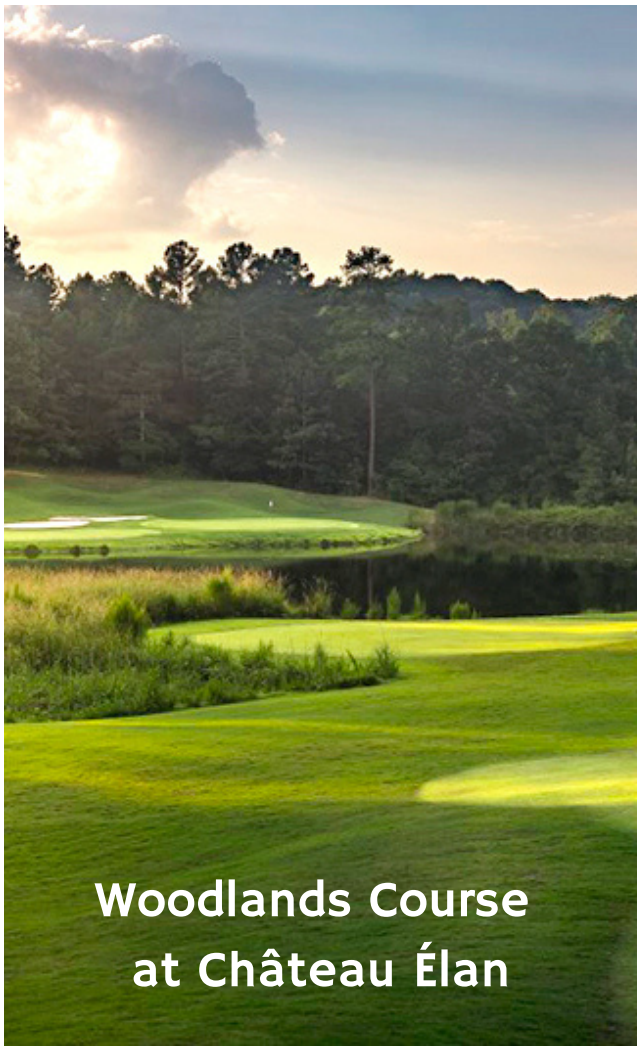
32nd Annual Atlanta Plastics Charity Golf Tournament

2022 TOURNAMENT RECAP

After more than a year since the previous gathering, the charity was honored to have hosted the 32nd annual "Greg Berry" Atlanta Plastics Charity Golf Tournament. We were thrilled to be with our industry peers, once again, and experience a great turnout for the charity that, through donations, continues to give back to our community. Close to 100 golfers were in attendance at the ever-impressive Château Élan Woodlands course and we hope you enjoyed the beautiful weather.

To kick-off the event, a welcome reception was held at the Château Inn, the evening prior to the tournament. The reception was a valuable opportunity for friendly networking. As every year, a competitive putting contest was held and the proceeds were donated to the charity fund. Shout out to Brian Pizzini as the putting contest winner!

The tournament was arranged as a scramble, with the opportunity to participate in special contests at several holes, including closest to the pin and various longest drives. Thank you Jeri O'Brien for spotting!



Thank you!

A warm thank you to:

- Piedmont Plastics Inc., for sponsoring breakfast
- Plaskolite Inc., for sponsoring lunch
- SIMONA AMERICA Group & CartierWilson LLC. for sponsoring the welcome reception
- Sekisui – SPI, for sponsoring the Hole-in-One contest

Great appreciation is given to the following 2022 hole sponsors:

3A Composites USA, Artek Industries, Astari America, Calsak Plastics, Cast Nylons Ltd., Curbell Plastics, Ensinger Inc., KBA Inc., King Plastics, Laird Plastics, Martino Marketing Group, Mitsubishi Chemical Advanced Materials, Palram Americas, Polymershapes, Polymer Industries LLC, Primex, Roechling Industrial North America, ROEHM, SIMONA AMERICA Group, Trinseo, Vycom, and ZL Engineering Plastics.

A Message from the Board of Directors

As this tournament is the charity's largest fundraiser, the proceeds are going to help fulfill the mission and purpose of the APCGT, which is to support individuals in need, within the plastics community, as well as local charities and the Greg Berry scholarship fund offered by the International Association of Plastics Distribution.

Over the past 32 years, and with your continuous support, the Atlanta Plastics Charity has helped numerous individuals of the plastics community throughout North America. If you know of anyone in need of assistance, please contact a committee member who can assist you with the application process.
